Aetna Premier Plus Formulary

05.02.347.1 (8/15)

Making your life a little easier

Here's a simple plan to help you pay for your prescriptions.
With extras to help you stay healthy and save.

You get:

- Coverage for most drugs
- Mail-order convenience
- A choice of pharmacies, including retail chains
- Personal support for specialty medicine needs

And with your online plan tools, you can find what you need fast.
Prices, forms, pharmacies and more.

How does my plan work?

It's pretty straightforward. Each drug your plan covers falls under a different level or tier. The lower the tier, the lower the price. The higher the tier, the higher the price.

Tip: To get the best price, let your doctor know which drugs your plan covers, including those in the lower tiers. You can find a listing at www.aetna.com/formulary.

If you take a higher-tier drug

We may ask you to switch to another drug that costs less, but is just as safe and effective. We have programs in place to help you transition to your new coverage.

What do I pay?

Again, it's simple. You either pay a flat fee or a percent of the drug's price. The exact cost depends on the tier your medicine is in.

Here's where to find exact costs:

Before you enroll:

In your plan materials, you get details that show what you'll pay for your medicine. If you have a deductible, you can see that, too. Don't see these details? Just ask your employer.

After you enroll:

Sign up for your member website at www.aetna.com. Then log in anytime to estimate drug costs. Or compare prices at a local pharmacy or through mail order.

Health benefits and health insurance plans are offered, underwritten and/or administered by Aetna Health Inc., Aetna Health of California Inc., Aetna Health Insurance Company of New York, Aetna Health Insurance Company and/or Aetna Life Insurance Company (Aetna). In Florida, by Aetna Health Inc. and/or Aetna Life Insurance Company. In Idaho, Utah and Wyoming, by Aetna Health of Utah Inc. In Maryland, by Aetna Health Inc., 151 Farmington Avenue, Hartford, CT 06156. Each insurer has sole financial responsibility for its own products.

Is my medicine covered?

Your pharmacy benefits and insurance plan covers most drugs. So your medicine is likely covered, too.

Here's how to check:

Before you enroll:

Visit www.aetna.com/formulary. Then choose “Aetna Premier Plus Formulary” (the name of your drug guide). From there, you can find covered medicine, along with alternatives that cost less.

After you enroll:

Just log in to your member website at www.aetna.com to estimate drug costs.

Your safety comes first

Your plan comes with safety checks on the drugs your doctor prescribes. That could mean you need special approval before a drug is covered. Or we might ask your doctor to prescribe another drug. Your doctor can always ask for an exception.

How do I get my medicine?

Whether you take medicine sometimes, or all the time, you're covered.

For occasional prescriptions

Visit your **local retail pharmacy** for medicine you won't take too long, like antibiotics. For the best cost, use a network pharmacy. You can find one at www.aetna.com.

For ongoing prescriptions

Use **mail-order delivery** for medicine you need all the time, like drugs to treat blood pressure. Your medicine is mailed quickly and safely to you — and you may get up to 90 days' worth.

Or ...

Use our **specialty pharmacy*** for medicine that treats more complex conditions and takes a little getting used to. Your medicine is packed securely, so it arrives safe and sound. And we can help you use it or manage side effects.

Not sure where to go? Just call us at the number on your Aetna ID card.

*Specialty medications through Aetna Specialty Pharmacy and the Specialty Pharmacy Network may not be available to California HMO members. Talk to your doctor about the appropriate way to get the specialty medications you need. Doctors may have agreed to dispense and administer these drugs to you themselves. Or they may write a prescription so you can fill them at any participating retail or mail-order pharmacy.
